As the global health crisis extends into fall and winter, our civil justice system is facing the reality that jury trials cannot be indefinitely postponed. Our panel will discuss the wide-ranging efforts by the Harris County Civil Courts to resume jury trials fairly and safely. Topics will include the new safety protocols at the courthouse, the process for obtaining approval from the Office of Court Administration, the challenges of assembling diverse and representative jury pools, jury selection at NRG Arena, and observations from the first civil jury trial in Harris County during the pandemic.

Starting at 5:15 pm
